

Yellow warning
Wind

Between
02:00 Tue 23 Feb 2021 and
18:00 Tue 23 Feb 2021

A spell of windy weather is expected across Northern Ireland and Scotland during Tuesday.

What to expect

- Some delays to road, rail, air and ferry transport are likely
- Probably some bus and train services affected, with some journeys taking longer
- Delays for high-sided vehicles on exposed routes and bridges likely
- It's likely that some coastal routes, sea fronts and coastal communities affected by spray and/or large waves
- Some short term loss of power and other services is possible

Further details

Strong south to south-westerly winds will gust 50-60 mph at times, but there is the potential for gusts of 70 mph for eastern coastal districts of Northern Ireland, the Western Isles and perhaps the Moray coast during the morning.

Winds will ease across much of Northern Ireland and the north-western half of Scotland during the afternoon.

✓ Medium likelihood of low impacts
